Dear Senior Prescription Drug Assistance Program Member,

We are happy to inform you that the Senior Prescription Drug Assistance Program (SPDAP) will continue to provide a Premium Subsidy of up to \$50 per month towards your Medicare Part D premium plan in 2022. The prescription drug plans listed on the 2022 Medicare Part D Advantage and 2022 Medicare Part D RX documents are the current plans for the program.

Medicare changed the Standard Medicare Part D Prescription Plan Maximum Deductible (if applicable) from \$445 in 2021 to \$480 during 2022.

It is important to remember that in addition to the annual Open Enrollment Period — Friday, Oct. 15th through Tuesday, Dec. 7th — enrollment in the SPDAP offers members the added benefit of being allowed to change their drug plan one additional time during the calendar year.

Please note, in 2022, there will not be a SPDAP Coverage Gap (Donut Hole) subsidy available to assist in offsetting incurred drug costs for members enrolled in a Maryland Medicare Part D prescription drug plan in 2021.

The following two tables reflect both 2022 Medicare Advantage Plans and 2022 Medicare Rx Plans:
