Dear Senior Prescription Drug Assistance Program Member,

We are happy to inform you that the Senior Prescription Drug Assistance Program (SPDAP) is increasing the maximum Premium Subsidy it provides towards your Medicare Part D premiums from up to \$50 per month to up to \$60 per month in 2023

Medicare changed the Standard Medicare Part D Prescription Plan Maximum Deductible (if applicable) from \$480 in 2022 to \$505 in 2023.

It is important to remember that in addition to the annual Open Enrollment Period — Saturday, Oct. 15th through Wednesday, Dec. 7th — enrollment in the SPDAP offers members the added benefit of being allowed to change their drug plan one additional time during the calendar year.

Please note, in 2023, there will not be a SPDAP Coverage Gap (Donut Hole) subsidy available to assist in offsetting incurred drug costs for members enrolled in a Maryland Medicare Part D prescription drug plan in 2022.

The following two tables reflect both the 2023 Medicare Part D Advantage Plans and 2023 Medicare Part D Rx Plans offered in Maryland:
