Dear Senior Prescription Drug Assistance Program Member,

For CY2027, the Senior Prescription Drug Assistance Program (SPDAP) will continue to provide a maximum Premium Subsidy benefit of up to \$100 per month toward eligible members' Medicare Part D prescription drug plan premiums.

As a reminder, the annual Open Enrollment Period is Thursday, Oct 15th through Monday, Dec 7th. During this time, Medicare beneficiaries have the opportunity to review their current prescription drug coverage and make changes to their Medicare Part D plan for the upcoming year. In addition to the annual Open Enrollment Period, SPDAP membership offers the added benefit of allowing members to change their Medicare Part D prescription drug plan one additional time during the calendar year.

The following two tables provide information on the 2027 Medicare Advantage Plans with Part D prescription drug coverage and the 2027 stand-alone Medicare Part D Prescription Drug Plans available in Maryland:
